

Hello Shooters!

Due to the threat of extreme weather of Tropical Storm Harvey, Montgomery County Food Bank has made the decision to postpone the Shootout Hunger Tournament.

Our new event date is: Friday, September 22, 2017.

As a disaster relief organization, we understand that weather is unpredictable and care about the safety of everyone involved in this event. In addition, it is important that we are available in this time of need for our Community, the Greater Houston Area and throughout the State. We wish each of you and your families safety through the storm and look forward to, what we hope will be, a sunny and beautiful day of Shooting on September 22nd!

If you have any questions or concerns, please reach out to Lori Magin at [936-271-8822](tel:936-271-8822) or Imagin@mcfoodbank.org. Thank you!
