

STOCK THE SLEIGH

HOLIDAY FOOD DRIVE

What is an Ornament Fundraiser?

We are excited to announce a fun, new way to get involved in our holiday food drive, Stock The Sleigh! We welcome you to join us as an Ornament Fundraiser location! Donors can scan the QR code on the ornament to make a donation directly to the Food Bank, and then fill out their ornament to be displayed on your Christmas tree, windows, walls - wherever! We will add your company name to the donation site so donors can select where they donated, and we can track how much your organization raised for the Food Bank.

Reach out today to receive your Stock The Sleigh ornaments!
