INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Montgomery County Food Bank, Inc.
Conroe, Texas

Report on the Audit of the Financial Statements*Opinion*

We have audited the financial statements of Montgomery County Food Bank, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the fiscal year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Montgomery County Food Bank, Inc. as of June 30, 2022, and the results of its operations and its cash flows for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Montgomery County Food Bank, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

The financial statements of Montgomery County Food Bank, Inc. for the fiscal year ended June 30, 2021, were audited by other auditors, who expressed an unmodified opinion on those statements on October 19, 2021.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

(Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Montgomery County Food Bank, Inc.'s ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Montgomery County Food Bank, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Montgomery County Food Bank, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain other procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

(Continued)

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 17, 2022, on our consideration of Montgomery County Food Bank, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Montgomery County Food Bank, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Montgomery County Food Bank, Inc.'s internal control over financial reporting and compliance.

MONTGOMERY COUNTY FOOD BANK, INC.
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 and 2021

NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Montgomery County Food Bank, Inc., (Food Bank or the “Organization”) is a nonprofit organization founded in May 1985. The Food Bank collects, purchases, and delivers food to a network of 83 food pantries and agencies located throughout Montgomery County, Texas, an area that covers over 1,000 square miles. The Food Bank works with additional community partners to furnish food through mobile pantries, safe houses, residential programs, critical care centers, pet rescue agencies, and emergency shelters.

The Food Bank operates from a 72,000 square-foot facility that includes 60,000 square feet of warehouse space. In 2022, over 7,878 community volunteers, a volunteer Board of Directors, and 31 employees operated the facility in addition to administering the Buddy Backpack Program, Senior Care and Share, Food Fairs, Mobile and School Pantries, and Benefit Fairs that assist the poor and victims in crisis.

Basis of Accounting: The Food Bank uses the accrual basis of accounting. Revenues are recognized when they are earned. Expenses are recognized when they are incurred.

Basis of Presentation: The financial statements of the Food Bank have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), which require the Food Bank to report information regarding its financial position and activities according to the following net asset classifications:

- *Net Assets Without Donor Restrictions* – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Food Bank. These net assets may be used at the discretion of the Food Bank’s management and the Board of Directors.
- *Net Assets With Donor Restrictions* – Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Food Bank or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

Cash and Cash Equivalents: For the purposes of the statements of cash flows, the Organization considers highly liquid investments available for current use with an initial maturity of three months or less to be cash and cash equivalents.

Concentration of Credit Risk: The Food Bank maintains its cash and cash equivalent balances in a financial institution, which is insured by the Federal Deposit Insurance Corporation up to \$250,000. The Organization believes it is not exposed to any significant risk on its cash balances.

Accounts Receivable: Accounts receivable include receivables from agencies who have purchased food items from the Food Bank.

Grants Receivable: Grants receivable include grants covering food purchases that have not yet been received.

Donated Food and Inventory: The Food Bank received donations of food consisting primarily of canned goods, produce, and other food items. Donated food supplies are valued at approximate average wholesale value of one pound of donated product based on the national per pound price as provided by the most recent Feeding America Product Valuation Survey.

(Continued)

MONTGOMERY COUNTY FOOD BANK, INC.
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 and 2021

NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

Purchased food is valued at the cost of products as determined by the first-in, first-out method (FIFO). The Food Bank recognizes donated food, commodities, and other goods as inventory and as contributions in these financial statements. Inventories are recognized as an expense when food is distributed.

Property and Equipment: Fixed assets purchased by the Food Bank are capitalized at cost. Donated fixed assets are recorded at their estimated fair market value on the date of donation. Such donations are reported as without donor restrictions unless the donor has restricted the donated assets to a special purpose. The cost of ordinary maintenance and repairs and expenditures for immaterial fixed assets is charged to expense. The current capitalization threshold is \$1,000.

Depreciation is computed using the straight-line method over the estimated useful lives of the assets as follows:

<u>Assets</u>	<u>Estimated Useful Lives</u>
Building and improvements	5 - 25 years
Freezers and refrigeration	15 years
Furniture and fixtures	5 years
Equipment	5 years
Vehicles	5 - 10 years

Impairment of Long-Lived Assets: The carrying values of long-lived assets, which include property and equipment, are evaluated periodically for impairment. Impairment losses are recognized when indicators of impairment are present and undiscounted cash flow estimated to be generated by the Organization's long-lived assets is less than the carrying amount of such assets. The amount of impairment loss, if any, is determined by comparing the carrying amount of the Organization's long-lived asset to its estimated fair value. No impairment losses were recognized for the fiscal years ended June 30, 2022 and 2021.

Revenue Recognition: Effective July 1, 2020, the Organization adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification, *Revenue From Contracts With Customers (Topic 606)* using the modified retrospective approach. Based on analysis of the new standard, no changes are necessary to conform with the new standard. Rental income from the lease of space, and program income from food pantry maintenance, each contain a single performance obligation. Revenue is recognized at a point in time when the ownership, risks, and rewards transfer.

Contributions: Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Some contributions that are restricted by the donor may be reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor-restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

(Continued)

MONTGOMERY COUNTY FOOD BANK, INC.
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 and 2021

NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

Contribution – Grant Revenue: On April 15, 2020, the Food Bank received funding of \$287,300 in the form of a two-year loan with an annual interest rate of 1%. The Organization applied for loan forgiveness for \$287,300 of the loan balance under the provisions of Section 1106 of the Coronavirus Aid, Relief, and Economic Security Act. On February 5, 2021, the requested portion of the loan was forgiven. Upon forgiveness, the full amount of \$287,300 was recognized as contributions – grant revenue in the statements of activities.

Deferred Revenue: Deferred revenue consists of amounts received for purchasing and distributing food and events that apply to future periods. The Food Bank recognizes the revenue when the expenses are incurred. For the fiscal years ended June 30, 2022 and 2021, \$440,639 and \$795,153 of revenue remains unrecognized and deferred.

Functional Allocation of Expenses: The costs of providing various programs and supporting services have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Such allocations are determined by management on an equitable basis.

The following represent indirect allocation methods used by the Food Bank:

<u>Expenses</u>	<u>Method of Allocation</u>
Salaries and wages	Time and effort
Payroll taxes	Time and effort
Insurance	Square footage
Interest	Square footage
Repairs and maintenance	Square footage
Utilities	Square footage

Use of Estimates: The presentation of financial statements, in conformity with GAAP, requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Fair Value of Financial Instruments: The carrying amounts reported in the statements of financial position for cash and cash equivalents, and accounts receivable, approximate their fair value.

Income Taxes: The Food Bank is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Service Code and, therefore, has made no provision for federal income taxes in the accompanying financial statements.

Risks and Uncertainties: Certain impacts from the COVID-19 outbreak may have a significant impact on the Food Bank's operations and performance. These circumstances may continue for an extended period of time and may have an adverse impact on economic and market conditions. The ultimate fallout from the pandemic, and the long-term impact on economies, markets, industries, and individual organizations, are not known. The extent of the impact to the financial performance and the operations of the Food Bank will depend on future developments, which are highly uncertain and cannot be predicted.

(Continued)

MONTGOMERY COUNTY FOOD BANK, INC.
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 and 2021

NOTE 2 – UPCOMING ACCOUNTING PRONOUNCEMENTS

In February 2016, the FASB issued Accounting Standards Update (ASU) No. 2016-02, *Leases (Topic 842)*. The ASU will require most leases to be recognized on the statements of financial position as lease assets and lease liabilities and will require both quantitative and qualitative disclosures regarding key information about leasing arrangements. Lessor accounting is largely unchanged. The guidance is effective for fiscal years beginning after December 15, 2021, for nonpublic entities.

The Food Bank is currently evaluating the impact this pronouncement will have on its financial statements and related disclosures.

NOTE 3 – LIQUIDITY AND AVAILABILITY

The following represents the Food Bank's financial assets at June 30:

	<u>2022</u>	<u>2021</u>
Financial assets at fiscal year-end:		
Cash and cash equivalents	\$ 6,224,927	\$ 6,107,587
Accounts receivable	101,291	54,480
Grants receivable	<u>381,843</u>	<u>-</u>
Total financial assets at fiscal year-end	6,708,061	6,162,067
Less: amounts not available for general expenditure		
Net assets with donor restrictions	(792,021)	(676,800)
Net assets with board designation	<u>(131,616)</u>	<u>(251,396)</u>
Total amounts not available for general expenditure	<u>(923,637)</u>	<u>(928,196)</u>
Total financial assets at fiscal year-end available for general expenditures over the next 12 months	<u>\$ 5,784,424</u>	<u>\$ 5,233,871</u>

The Food Bank manages its liquidity and reserves following three guiding principles: operating within a range of financial stability, maintaining adequate liquid assets, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged. In order to determine these reserves, the Board analyzes the current year budgeted to actual amounts and the approved forecast for the upcoming year.

The Food Bank receives contributions restricted by donors, and are not available for general expenditures. For the fiscal years ended June 30, 2022 and 2021, the net assets with donor restrictions of \$792,021 and \$676,800, respectively, were excluded from financial assets available to meet cash needs for general expenditures within one year. The Food Bank's Board-designated \$131,616 and \$251,396 towards the payments against the balance of the building note payable in fiscal years 2022 and 2021, respectively, and the amount could be made available for general expenditures, if necessary.

NOTE 4 – NONCASH CONTRIBUTIONS

Food Donations: The food distributed by the Food Bank is received by contributions primarily from the Houston Food Bank (HFB). The donations that the Food Bank receives from the United States Department of Agriculture (USDA) are received in their entirety from HFB. The food items that are not received from the USDA (Non-USDA) are received from HFB as well as local Montgomery County retailers and the general public.

MONTGOMERY COUNTY FOOD BANK, INC.
 NOTES TO FINANCIAL STATEMENTS
 June 30, 2022 and 2021

NOTE 4 – NONCASH CONTRIBUTIONS (Continued)

The estimated value of these contributions is recognized in the financial statements as contribution revenue of food and other supplies or program expenses if distributed during the year. The pounds collected are recorded by the Food Bank staff at the time of receipt based on actual weight.

The dollar amount of USDA and Non-USDA food received is calculated using the Feeding America rate. For the fiscal years ended June 30, 2022 and 2021, the average rate used was \$1.79 and \$1.74, respectively, per pound.

The total value of contributed food is as follows for the fiscal years ended:

	<u>Pounds</u>		<u>Value Per Pound</u>	<u>Amount</u>
June 30, 2022				
USDA	2,693,492	\$	1.79	\$ 4,821,351
Non-USDA	<u>12,887,765</u>	\$	1.79	<u>23,069,099</u>
Totals	<u>15,581,257</u>			<u>\$ 27,890,450</u>
June 30, 2021				
USDA	3,008,487	\$	1.74	\$ 5,234,767
Non-USDA	<u>13,827,164</u>	\$	1.74	<u>24,059,266</u>
Totals	<u>16,835,651</u>			<u>\$ 29,294,033</u>

NOTE 5 – PROPERTY AND EQUIPMENT

Property and equipment consists of the following at June 30:

	<u>2022</u>	<u>2021</u>
Building and improvements	\$ 4,724,208	\$ 4,714,826
Freezers and refrigeration	304,662	304,662
Furniture and fixtures	68,588	65,729
Equipment	1,366,596	1,283,860
Vehicles	1,100,227	988,164
Land	<u>678,998</u>	<u>678,998</u>
	8,243,279	8,036,239
Less: accumulated depreciation	<u>(2,960,977)</u>	<u>(2,602,823)</u>
Total property and equipment, net	<u>\$ 5,282,302</u>	<u>\$ 5,433,416</u>

Depreciation expense for the fiscal years ended June 30, 2022 and 2021 amounted to \$358,154 and \$323,875, respectively.

(Continued)

MONTGOMERY COUNTY FOOD BANK, INC.
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 and 2021

NOTE 6 – NOTE PAYABLE

In June 2015, the building note payable was refinanced. Beginning on July 5, 2015, interest-only payments are to be paid for 36 months at an interest rate of 4%. The loan has a monthly payment of \$8,806, secured by 5.5155 acres of land in the South Trade Center subdivision of Montgomery County, Texas, and began in July 2018. The note payable is due in full on February 5, 2025. The balance of the building note payable at June 30, 2022 and 2021 was \$631,535 and \$815,617, respectively.

The principal loan payments are as follows:

2023	\$ 65,407
2024	68,037
2025	<u>498,091</u>
Total	<u>\$ 631,535</u>

The Food Bank incurred \$29,959 and \$33,787 in interest expense for the fiscal years ended June 30, 2022 and 2021, respectively.

NOTE 7 – NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions for the Food Bank at June 30, 2022 and 2021 in the amount of \$792,021 and \$676,800, respectively, consist of funds restricted for use to the Food Bank's programs.

NOTE 8 – LEASE COMMITMENTS

The Food Bank leases a copier under a four-year noncancelable operating lease. Expenses for the lease of the copier for the fiscal years ended June 30, 2022 and 2021 amounted to \$17,556 and \$14,702, respectively. Future minimum payments through June 30, 2023 under the operating lease are \$6,400.

NOTE 9 – SUBSEQUENT EVENTS

The Food Bank has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued.

MONTGOMERY COUNTY FOOD BANK, INC.
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
For the fiscal year ended June 30, 2022

NOTE 1 – THE ORGANIZATION

Montgomery County Food Bank, Inc., (Food Bank) receives federal grants to carry out its programs and services for low-income families in Montgomery County, Texas.

NOTE 2 – BASIS OF ACCOUNTING

The accompanying schedule of expenditures of federal awards (Schedule) includes the federal grant activities of the Food Bank and is presented on the accrual basis of accounting. The information in this Schedule is presented in accordance with the requirements of the *OMB Compliance Supplement*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

NOTE 3 – NONCASH AND LOANS

The Food Bank expended federal awards in the form of noncash food commodity assistance. There were no federal awards expended in the form of insurance and there were no federal program loans or loan guarantees outstanding at year-end.

NOTE 4 – INDIRECT COST

Expenditures included in the Schedule represent both direct and indirect costs. Instead of using the 10% de minimus indirect cost rate allowed under the Uniform Guidance, the Food Bank's indirect costs are based on an indirect cost allocation plan that has been agreed upon and approved by the applicable grantor.

NOTE 5 – RELATIONSHIP OF THE SCHEDULE TO FINANCIAL REPORTS SUBMITTED TO GRANT AWARDING AGENCIES

Expenditures included in the Schedule may differ from amounts reflected in the financial reports submitted to grant awarding agencies for the following reasons:

- Expenses accrued at the end of the Food Bank's fiscal year may not be included in the financial reports submitted to grant awarding agencies until after year-end; and
- Differences may exist between grant periods and the Food Bank's accounting period.

NOTE 6 – CONTINGENCIES

Grants require the fulfillment of certain conditions set forth in grant agreements and are regularly monitored and reviewed by grantors. Management believes that the Food Bank is in substantial compliance with grant provisions and requirements and that disallowed costs, if any, will not be significant to affect the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of
Montgomery County Food Bank, Inc.
Conroe, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Montgomery County Food Bank, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the fiscal year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 17, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Montgomery County Food Bank, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Montgomery County Food Bank, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Montgomery County Food Bank, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness is a deficiency*, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency is a deficiency*, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Montgomery County Food Bank, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

(Continued)

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR
FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of
Montgomery County Food Bank, Inc.
Conroe, Texas

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Montgomery County Food Bank, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of Montgomery County Food Bank, Inc.'s major federal programs for the fiscal year ended June 30, 2022. Montgomery County Food Bank, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Montgomery County Food Bank, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the fiscal year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Montgomery County Food Bank, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Montgomery County Food Bank, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Montgomery County Food Bank, Inc.'s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Montgomery County Food Bank, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Montgomery County Food Bank, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Montgomery County Food Bank, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Montgomery County Food Bank, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Montgomery County Food Bank, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis.

A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

(Continued)

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
