FAQ

REVIEW OUR FREQUENTLY ASKED QUESTIONS

1. Do I need to communicate with anyone from MCFB before hosting a food drive?
No, it is not necessary to communicate with MCFB prior to hosting a food drive. However, we encourage you to register your food drive, so we can keep you up to date with the latest on Stock The Sleigh! [Click here](#) to register.

2. Where can we pick up food drive boxes?
To defray expenses, Montgomery County Food Bank will not be providing food drive boxes for pickup this year. If you expect to collect more than 2,000 lbs or 2,500 items, please contact us before your food drive to discuss options.

3. Can I collect monetary donations during our food drive?
Yes! Join us as an Ornament Fundraiser location. Donors can scan the QR code on the ornament to make a donation directly to the Food Bank, and then fill out their ornament to be displayed on your Christmas tree, windows, walls - wherever! We will add your company name to our donation site so donors can select where they donated, and we can track how much your organization raised for the Food Bank. Reach out to [development@mcfoodbank.org](mailto:development@mcfoodbank.org) to be added as a participant and to schedule a time to pick up your ornaments. You can also download the ornaments [here](#) and print them on your own. And remember, each dollar you raise will provide up to 5 meals for those in need in our community!
REVIEW OUR FREQUENTLY ASKED QUESTIONS

4. Does MCFB accept non-food donations?
To ensure efficiency in our food distribution operations, please do not include any donations of clothing, personal hygiene products, or household items within your food drive items. If you have collected these items, we encourage you to donate them to a nearby clothing distribution center.

5. Can we arrange for MCFB to pick up our food drive?
MCFB can arrange to pick up your donation if your food drive collected at least 2,000 lbs or 2,500 items. To save limited resources, our drivers work to incorporate food drive pick-ups into their normal food distribution routes. After your food drive ends, we can begin coordinating a pickup. It takes one week to coordinate a pickup. Please note: If you have more than one location collecting, each location must meet the minimum in order to qualify for a pickup. We will have assigned pick-up days scheduled specifically for businesses on November 30th and December 6th. This will need to be coordinated in advance in order to be included on the driver’s pick up route. Please email development@mcfoodbank.org if you would like to schedule a pick up on those dates.
